

Conference

Kingdom of Morocco
Moroccan Society for Research in Applied Sciences and Innovation (MSRASI)
&
Physics of Materials and Subatoms Laboratory (LPMS), Faculty of Sciences Kenitra
and
Economics and Public Policy Laboratory (LSEPP), Faculty of Economics and Management
Ibn Tofail University of Kenitra, Morocco
Organising Hybrid
International Conference on Applied Sciences and Innovation
(ICASIN'2025) from November 27 to 29, 2025,
Kenitra Morocco

FIRST EDITION

INVITED SPEAKERS

Pr. Sarah BAATOUT
Deputy Institute Director
Nuclear Medical
Applications, SCK CEN -
Belgian Nuclear Research
Centre, Belgium

Dr. Paul ROMANO
Argonne National
Laboratory, USA

Pr. SANJEEVIKUMAR
Padmanaban
Faculty of Technology,
South-Eastern Norway
University, Norway

Pr. Mosab
BANSALMAN
(N2CORE) Technology,
Daejeon, Republic of
Korea

Pr. Mohamed
CHABAB
Cadi Ayyad University,
Marrakech

Dr. Sato TATSUHIK
PhD, Japan Atomic
Energy Agency, Japan

Topic 1

Energy Systems, Renewable and Innovation Technology

Topic 2

Physics, Materials Sciences, Medical Physics, High Energy, Simulation, and Applications

Topic 3

Energy, Environment Sciences and sustainable Development

Topic 4

Artificial Intelligence and Technology Applications

Topic 5

Law, Economics, and Governance in Energy

MSRASI

Important Dates

Submit papers starting: September 27, 2024

Papers Deadline: May 1, 2025

Authors Notifications: May 30, 2025

Final Manuscript Due: July 10, 2025

Final Program: November 20- 26, 2025

Conference Date: November 27- 29, 2025

Registration
